**PITASSI ARCHITECTS, INC.
AND
NORTHTOWN HOUSING DEVELOPMENT CORPORATION**

DESIGN AND PLANNING SCHOLARSHIP PROGRAM

1. Name of Applicant _____ Date of Birth _____
2. Address _____
City _____ Zip Code _____ Phone _____
3. Name of Applicant's Parent(s) or Guardian(s): _____

4. Total Annual Household Income (including salaries, wages, tips, interest on savings accounts, and other investments, Social Security payments, workers compensation payments, disability payments, and other sources of income) \$ _____
5. Number of Persons in Family _____
6. High School, College or University Grade Point Average (Cumulative, as of last completed quarter or semester): _____
7. Name of High School currently attending or graduated from: _____

8. Grade (check one) 12th Grade _____
 High School Graduate _____
9. Name of educational institution in which you are currently enrolled, have been accepted, or in which you intend to transfer from a community college.
Community College _____
University _____

10. On a separate sheet, please provide a brief description of your participation in extra curricular and community service activities such as volunteering with local nonprofit service agencies (churches, YMCA, etc.), participating in school government, clubs, or other school activities (athletics, school newspaper, band, etc.), or participating in local community clubs.
11. Letters of Recommendation: Two letters of recommendation must be submitted for each applicant. An educator, preferably from the high school's architectural drafting program or from the college's design program faculty, and familiar with the applicant must write one letter. The other letter must be written by an unrelated individual familiar with the applicant. The letters should attest to the applicant's potential for success in the design and/or planning disciplines, community service, leadership, character, and citizenship qualities. These letters should be included with the application.
12. Essay: Each applicant must submit a typewritten essay on the theme "The Importance of Design and Planning in Creating Livable Communities". Describe your ideas on the importance of design, planning, and the availability of quality, affordable housing in neighborhoods, communities, and cities. Give specific examples of how good design makes a difference in your community. Finally, please discuss how your experience and/or role models have shaped your thoughts on the importance of design and planning in creating, maintaining, and refurbishing neighborhoods. The essay should not exceed five typewritten pages.
13. Letter of Acceptance from or evidence of enrollment in a community college or university.
